# Help Topics:

1. The Menu Bar

- Each category has a drop down menu to assist Navigation around the site.
- All Company and Web information is stored within the "Home" Drop down menu

- All the Products on the Site are stored on the other drop down menus.
- Please be aware that the products on the site represent only a small amount of the 5500 within our database.
- Our trained Sales Staff can also source Special Items to suit your requirements.
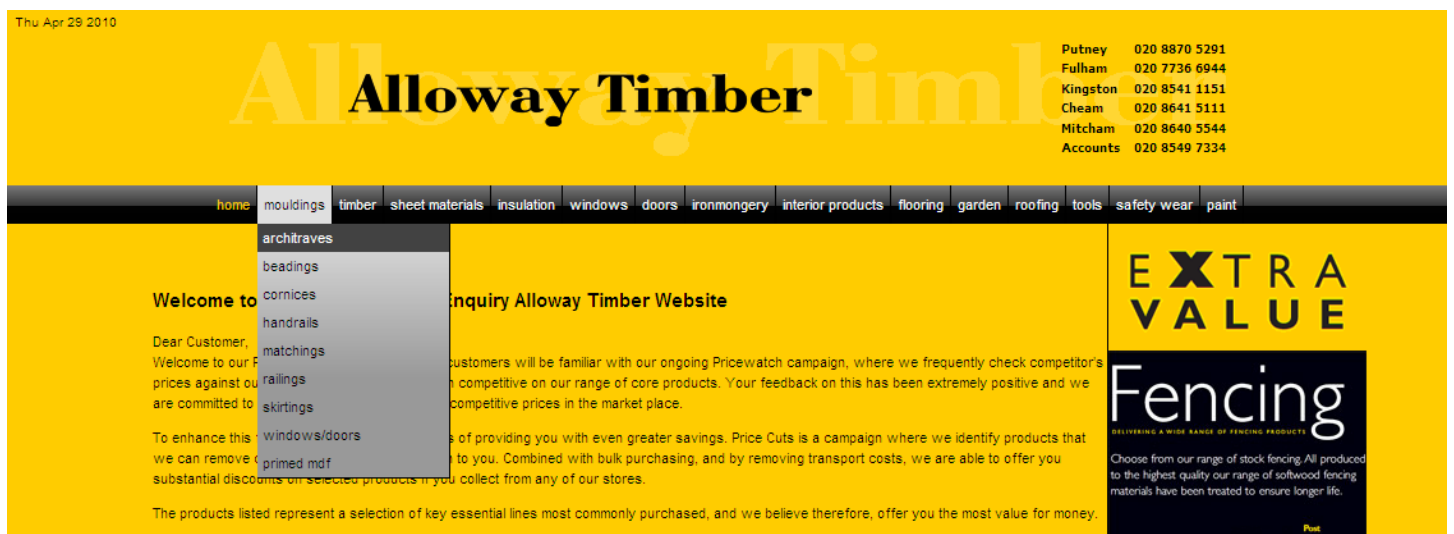

- The Depot Links on the Top Right hand corner of the page show Addresses and opening times.

Putney Branch   **Manager:** Annette Ronan

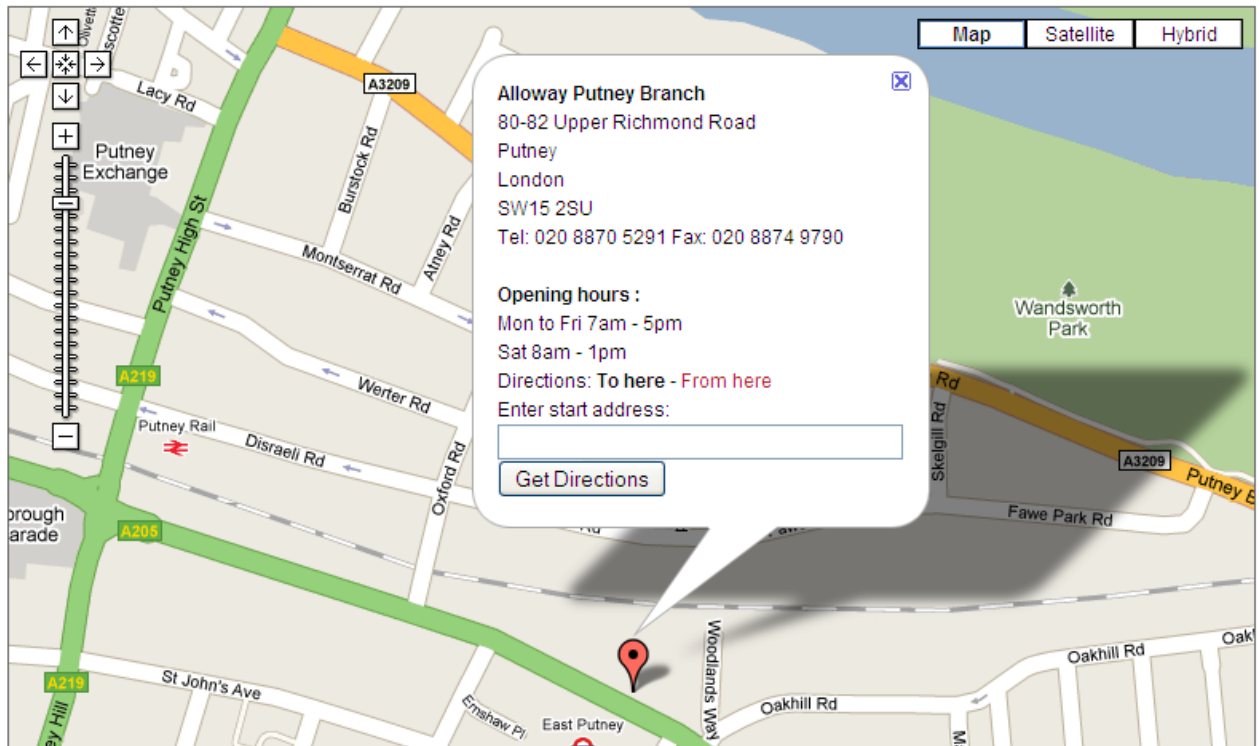

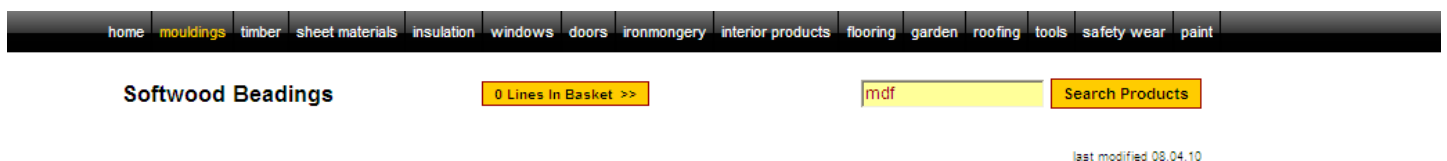

Click the Red Marker, enter your postcode to generate a route to the depot location.

2. The site can generate a Shopping Basket, which is emailed to our dedicated sales team for pricing.

- Building the Quote

Navigate the site until you find the required product group, a key word search is available.

- Type your query and Search
